The Lady:

Description Of the lady was good that's why I went, goes out as early 30 more like 40, she full of tattoos which on her pics there is no sign of them, hair was unkempt and what make up she did have on was all around her eyes. her tips are a mouthfull (not complaining) but she not a dress size 10 more like 12 to 14

The Story:

Lovely greeting as always had to wait 10 mins but the receptionist was nice I could hear Sam in the room sounded fantastic could of shot me load there and then :). When it was my turn she came in the room and I thought I was in for a well good time but was soon disappointed started with a suck if that what it was all of 5 seconds then all she did was shove her tits in my face and tickle my balls, went to have a play around with her to be told rather abruptly not to Touch her ass as it cost extra only had my hand on the cheek :-) asked for some more oral for her to say no she wanted sex first so I did wasn't great was off putting all she did was lie there (maybe I wasn't her cup of tea) finished on a wank that I had to do myself won't be seeing her again never had a bad experience there before I'll stick to my usual lady in the future
