The Lady:

This was one of the most sensual experiences I have ever had! Shower offered before and after. Beautiful girl, sweet kisses, flexible body. . . .seriously, you cannot go wrong with Jasmine. Well worth a visit, unforgettable experience.

The Story:

When I went to the bedroom Jasmine was now standing with matching Bra and panties -- She looks fantastic !!, those boobs spilling out, great long legs and a lovely smile. It was not long before we were kissing on the edge of the bed, Jasmine loves to french kiss and she really is good to ! Then the underwear came off exposing her assets which I could not resist. I Really enjoyed sucking those lovely nipples and working my way down to her beautiful shaved pussy which I could have eaten for hours ! I felt Jasmine enjoyed the date as much as I did. The hour went quick, I was offered another shower had a nice chat and went on my way ---- Can't wait to visit again!!
