The Lady:

I was a bit apprehensive about Karolina as her photos are heavily airbrushed and I can't think why, none is needed she is seriously gorgeous, tall busty and curvy with really welcoming smile and sexy eyes. Italian but speaks English perfectly in a great Mediterranean accent.

The Story:

Karolina came in the room wearing a basque and stockings and immediately started DFK even before the paperwork. She soon had both of us naked and onto the bed for deep throat OWO, the best I think I've had. After some more kissing and me exploring her very impressive tits (all her own no silicon here) it was a nice long 69, she tasted wonderful pushing herself down on my face and moaning all the time. Then on with the mac and sex in a few positions including what I took to be her favourite, from behind before she invited me to cum in her mouth, who am I to argue? The rest of our time was spent kissing cuddling and chatting.

Karolina is a real star good at what she does with the added bonus of being intelligent and articulate. A really lovely girl. I will return when I'm next in MK. Thank you for setting me up for the day, Karolina.
