The Premises:

Not bad. Top of the block. Reasonably clean and modern.

The Lady:

Not sure if this is the girl in the photos. If it is then she's put a few pounds on and hid the big tattoo on her back.

The Story:

Worst punt ever !! No communication, no interest, couldn't wait to get rid of me after I paid my money. Barely did anything. We finished off with her giving me a massage. Couldn't even be bothered to use both hands because that meant she wouldn't be able to read the texts on her phone which she kept on the bed.

Maybe alright for a quick blow job or hand job. Otherwise avoid like the plague.
