The Lady:

An exotic mix of Indian and Thai facially, mature yet very attractive smooth as silk skin and with again a mature but extremely trim body with fabulous well proportioned breasts which were both firm and soft. Very friendly personality Lita is great

The Story:

After falling into a bit of a depression and 2 very bad Thai punts decided to take the recommendation and go for Lita even though I would personally choose a younger lady. Lita is early 40s but it doesn't show very well kept and maintained. Service wise lets just say if you want to be pampered by a hot milf then shes for you. No A on offer but what you can expect is a fantastic massage, good oral and excellent multitasking. using her oiled up boobs to arouse you whilst working on your cock and balls.

She will not cater to the most adventurous punters however is highly recommended.
