The Premises:

Nice serviced flat in the Chelsea area. Comfortable bedroom, serviceable bathroom/shower. Easy to find - no hassles.

The Lady:

One of the few ladies whose pics accurately describe reality. This lady is really pretty - great body, nice boobs, pretty face, ready smile, captivating eyes. Very very nice to look at.

The Story:

It's a shame the quality of service doesn't match the potential of the package. This lady is gorgeous, but her service is a bit mechanical. The services described on the web-site don't tell the whole story - "...to her discretion..." I suspect really means "...rarely if ever..." Also, while I don't want a "screamer", a moan now and then as an indication she's enjoying herself would be nice (even if she wasn't enjoying herself, part of providing GFE services is at least attempting to fake it now and then). If you want quiet, timid and reserved with a very beautiful girl, this might be the one for you; if you want no-holds-barred rip-the-sheets-off-the-bed sex, look elsewhere.
