The Premises:

Large, disparate, apartment not far from the tube. The owners should give it a brush up but she's done a nice job in providing the boudoir with an exotic, dusky, far away feel.

The Lady:

Total glamor-puss. Carries herself with style and refinement. Immaculate hair and make-up. Wore a stylish, sexy black dress with killer high heels. Pure finesse.

The Story:

Catherine has the whole ultra glamorous, super sexy, 'woman about town' air about her; just looking at her made me ultra horny.

After formalities she stripped off her dress to reveal some super exotic underwear - I was ready to explode. We got into some DFK and I really wanted to ravish her but figured 'ladies first' so went down on her from some long slow oral. She likes oral and was quite happy to order me around for maximum pleasure. I really got into it and by the time i finished she was in a similarly rampant mood which was good news for me.

I'm quite a simple GFE type of gent but Catherine has a wild adventurous streak and initiated me to several new 'mind blowing' experiences which i thoroughly enjoyed. It was a heady, passionate, erotic mix which left me totally drained yet elated.

She's a wonderful girl. She may have an ethereal air about her but she's easy to talk with and accommodating. Intelligent and colloquial she transforms to the perfect girl next door post shenanigans. Good is not cheap, and cheap is not good. Worth every penny.
