### The Premises:

Basic flat in a modern apartment block. Safe on-street parking outside. Discreet entrance.

### The Lady:

Petite, dark haired. Website pictures may be a bit dated but not far out.

### The Story:

Called on the day to make an appointment. She texted back with the street and postcode. Found it ok, but got a bit confused by directions to the flat. I had asked her to wear something for me, giving some fairly easy options but she was just wearing her "work clothes". Was offered a drink, did the paperwork and agreed on the services. The session included kissing, a very sensuous deep throat BJ and cumming on her petite tits. A very pleasant time with no rush.
