The Story:

Miserable pissing wet bank holiday , only one way to alleviate this , phoned and spoke to Sarah the maid for an appt.

Having eventually traveled south of the river , arrived and was shown in , by Sarah given a beer , telling me Paris would join me shortly , she did looking very pretty we kissed and made the arrangements , she nipped out whilst i quickly got ready , she returned and we quickly lay on the bed together , cuddling , she deftly removed her bra , i commenced sucking one of her nipples , responsive and quickly became pert, spent several minutes before starting on the other , YUM. Subsequently she eased down my boxers , and began to play with my cock , but i was absolutely aching for her pussy , slid down her knickers ... shaven pussy , petals slightly open and glistening wet before I'd even started , i put my head between her legs and commenced licking her love bud . Spent about 15-20 minutes , she was genuinely responsive not fake OTT porn ,the occasional "that's nice" . Kiss fm was on the radio and about 4 or five tracks had played before Paris announced "I want to come" , she had been getting progressively wetter , gasping she moved her body back and took some wipes , from the small chest of draws by the bed , giving some to me to wipe her sexy juice from my face , while she wiped her pussy and between her legs as she was soaking wet , telling me she had enjoyed that , and that it was her turn.

By now i was really stiff and "mmm really hard now" she told me and began to slide a condom over my cock , and was about to start sucking , I asked if she did OWO she told me normally she does but she has just had a tooth out , so it was with , but she said next time i visit she will do owo , even with she did some lovely cock sucking , like a porn star (although she doesn't want to do porn when I asked her).

She asked me if i wanted to have sex, i replied i'm in a massage parlour with a sexy woman how could any guy not want to , although to my amazement she told me some customers did not want a full fuck. We commenced in cowgirl , her facing forward ,so i could look into her face , a fantastic fuck her cunt was really hot and juicy, subsequently we moved into missionary , so we could kiss as we fucked , before doggie , she has a nice tattoo above her arse , i knew i would not be able to hold out much longer "give it to me!" she called out as I came , spunking my legs turned to jelly , before withdrawing , and she gave me some wipes to clean my cock with.

Leisurely got dressed , Paris needed to take a shower , before heading off to brave the pissing rain again .

Another great sexy woman at Debbie's , and she gave me a nice kiss goodbye.

As to whether to see her again Paris told me that she does a two girl with the other girls " and lick each other's pussys " and "she fucks me with a vibrator " so a must as future treat to look forward to.
