The Premises:

Easy to find flat on main road. Ample parking round about.

Downstairs flat in nice Victorian house.

Very private & felt safe.

The Lady:

Beck is a slim 27 year old but looks a few years younger.

Very pretty face, shoulder length dark red hair. Cute & firm 34b bust & a really lovely bum.

A number of expensive looking & very tasteful & artistic tattoos.

The Story:

After making the arrangements by phone call & text I arrived at Beck's flat.

I was greeted by Beck with a lovely warm smile & a very friendly & outgoing persona.

I handed over the fee & was shown into a very nice bedroom with a double bed.

Beck joined me within 2 minutes having stripped down to knickers, bra & stockings. Beck suggested I turn over & she gave me a very expert massage which I thoroughly enjoyed. She was soon feeling between my legs though so I turned over & she took my hardening cock in her hand & asked what I would like next. I said I would love to suck her tits so she removed her bra & lent forward so I could take each in turn into my mouth. By now I was rock hard so Beck moved down my body & started licking my cock. Soon she slipped it all the way into her mouth & proceeded to give me the best deep-throat I have ever had. After a few minutes of this I was very near to coming. Beck asked me "do you want to come in my mouth or fuck me". I decided to fuck her but not before she lay on her back with her legs spread wide while I licked her fabulous pussy. By now I had to have her so it was on with the condom & Beck got on all fours & I admired her gorgeous arse as I experienced the wonderful sensation of entering her tight, wet pussy. I started slowly but was soon fucking her hard as she writhed & shouted encouragement. I came deep inside this beautiful creature & collapsed on the bed next to her. We spent a while kissing, cuddling & chatting before I got up & dressed & I'm sure we went slightly over the allotted time.

A wonderful time with a fabulous, friendly, sexy, beautiful & very dirty girl.

Highly recommended!
