The Lady:

Jessica is a stunning brunette, lovely big firm tits and legs that go on forever.

Candice is the ultimate milf, blonde early 40s with a body that virtually any woman would die for.

The Story:

I've seen both of these girls before, Jessica several times over the past year or so, Candice a couple of years ago in a memorable 2-girl, so getting them together was a real treat. Both were looking as hot as ever.

I'd already had a great session with Jessica earlier, so started the 2-girl with Candice alone. This woman is pure sex, she totally knows what a man wants. Usually I take some time warming up for round two, but she had me on the edge after 5 minutes without even sex. Full-on snogging, sucking her porno tits and tasting her pussy while she talked dirty. When she sucked me off, it was a serious temptation to just cream her face.

I managed to hold back, however, for the main event. Jessica is genuinely bi-sexual and I'm certain she wanted this as much as me. They snogged and played with each other, then Candice made her cum licking her pussy, while I tongue-fucked Candice's arse. Then Jess got me rock-hard again from OWO, and I fucked Candice while they snogged. Loads of filth coming out of all three of us. After a hard, exhausting fuck with Candice yelling filth and Jess cheering me on, I finally exploded.

No rush at all afterwards, we lay around chatting like old friends. A fantastic afternoon with two highly addictive girls!
