The Premises:

Modern flat above retail premises. Area safe at all times I would think. easy to park nearby. Bathroom clean with shower. Rooms sparsely furnished but enough for sexual activity.

The Lady:

Rather lovely young girl. She says on her AW ad that's she's 24 but she could pass for much younger. I think she is the girl in the photos but I'm not 100% sure. Anyway she's very similar. Blond hair about 5'7" in height (she wears flatties). Small breasts with nice nipples. Long coltish legs ending in a pert rounded behind. Yummy.

The Story:

I'd made my mind up that I wanted to see her so when the opportunity arose I decided to pay her a visit. I shouldn't really work like this and I should only go when I'm really desperate.

When I arrived I realised that she was very lovely. She was a bit difficult to understand at first as she was offering me a massage, when I wanted to fuck her. However, in the end she understood what I wanted.

We lay on the bed - she pushed me down and she kneeled over me. She was quite bossy at first. However, I suggested that she took off her bra which she did, and then showed me bum which I stroked. She then removed her thong and started to play with my cock and rub my balls which was just what I wanted. She was wearing a rah rah skirt, and I pushed my hand underneath and stroked her bum and thighs. I moved slowly onto her pussy which was wet at the perinial end. She told me not to insert my fingers so I paid attention to her large puffy external labia and then to her clit.

I continued like this for a few minutes while I was getting increasingly hard, and then to my surprise, she whirled around into the 69 position presenting me with her delightful pussy and anus. I licked away at her clit and now I was hard she started to suck and wank me hard. The harder I licked the more she sucked and wanked me until the inevitable happened and I decided to come hard in her mouth.

She said she enjoyed the experience and i know she wanted me to continue but my cock unfortunately refused. I will return and fuck her properly.
