The Premises:

Discrete location near Post Office. Clean flat and nicely decorated room.

The Lady:

Pretty Eastern European lady in mid to late 20s. Figure to die for with perky medium-sized breasts and lovely nipples. Manner was friendly and chatty and I found her easy to talk to. Nice Russian accent.

The Story:

I have seen both Selena and Viva at Annabella's during the last 2 weeks. They are both cracking girls and my reviews of them are very similar since they remind me of each other.

Viva is a great girl and deserves more positive reviews on her profile. I am fairly conventional when it comes to sex and so there's not much point in going into much detail. But with a body like hers and her sexy chat I can't imagine anyone feeling disappointed after seeing this sexpot. Highly recommended.
