The Premises:

Nicole lives in a nice modern mansion apartment block near Kensington Olympia, near Kensington High St. It is on a discreet road. Her apartment is comfortable, well equipped with a nice big bed and plenty of room. The bathroom is clean with a good shower.

The Lady:

Nicole is prettier than her pics and more petite, with a glint in her eye. She was funny and friendly, very chatty (good English) and very keen to get down to business. She met me at the door wearing what I requested, white stockings and white lingerie. She looked stunning. She has a flat tummy, a pert bum and lovely boobs with big pointy nipples. She had small good sized implants in her boobs and they were still a bit sensitive, but I think this only aroused her more.

The Story:

It was warm muggy day, so I had a shower to freshen up and Nicole was waiting for me in the room. She took the towel off me and started to make herself acquainted. Kissing lightly and fondling me. I cupped her wonderful bum, each cheek the perfect handful. I pulled down her g-string and kneeled down, she stood above me and put one foot up on the bed, so I could give her oral, what a sight!

She returned the favour and we lay on the bed doing 69 for ages. Her bum and pussy were so sweet and she was very wet. She loved giving oral and this is where her naughtier side came out and she sucked like a pornstar, looking into my eyes and moaning, licking my balls and my shaft with her tongue.

She got a toy out and I played with her for a while with it.

On with the condom and we managed lots of different positions, I wanted her on top and she squatted down on to me, which was great.

She was beginning to wear me out and when she asked if I wanted CIM, I couldn't refuse. The whole hour had slipped by and I had a lovely time, we had a nice chat and I had another shower. We kissed at the door and I left.

I can't recommend her highly enough and she really is one of my favourites.
