The Premises:

Block of flats in Kingston town centre.

The Lady:

I was expecting 'Miya' as advertised on the website.

Instead I got 'Yuki'. She was pretty enough but only an A or B breast size.

Certainly not the woman on the website.

The Story:

Yuki was not what I was expecting.

She did not want me to kiss her. She did not like me sucking her nipples. She did not like me touching her vagina.

When we were having sex, she kept on saying 'you cum?'

A really disappointing experience.
