The Premises:

Normal central Milton Keynes location. Free parking on Sundays. Clear directions from agency. Flats are maintained to a high standard by the maids. Welcomed by Carla, very nice girl, recognised her from Annabellas gallery. Ordered my usual mug of milky tea.

The Lady:

Angel is tall and slender. I reckon about 5ft 10. Very very beautiful face, lovely eyes. Long black hair falling down over her shoulders. Good English. I think she is from Romania. Lovely soft skin. Beautiful body, superb breast, a matchless behind. I don't think she realises how beautiful she is. As usual the blurred face doesn't do her justice. Very gentle. Very keen to ensure you have a good visit. Very romantic kisser.

It's the second time I've seen her. I've seen some truly stunning girls at Annabellas, but she's the only girl I've ever seen twice.

The Story:

Started with a gentle kiss. We seemed to kiss for ages. She left me rock hard. Good job I wasn't going anywhere for a while. She tasted nice and fresh, I'm pretty sure she doesn't smoke.. She smelt nice too.. 'Is this for me?' she said taking the money I'd left on the table for her.

I took my trousers off, she removed her bra. I don't think I've ever seen such beautiful breasts. We stood body to body and kissed again, she looked at us in the mirror. I laughed, "you're proud of your body aren't you?"

I turned her to face the mirror and stood behind her, weighing her firm breasts in my hands, kissing her neck, her shoulders. My pants came off she felt my hardness and raised my manhood so it rested against the small of her back.

"Your tea", she said and I drank some.

"Can I stroke your bum?"

So she knelt on the bed, knelt right over, legs apart and her pussy and arse looked divine, like a photo shoot. I kissed her bum, licked her pussy, stroked her bum hole. She put a condom on me and then kissed and sucked me while I stood, holding her pony tail of thick black hair. Sucking my

cock, licking my super smooth shaved balls.

Then she laid down on her back, I put a cushion under her bum and licked and sucked her pussy.

Then I lay down and she sucked me and we chatted a bit and then I said 'Can we fuck?' And we stood up. 'Doggie?' I said 'That's your favourite right?' 'Of course.' My goodness what a bum. And

we fucked but I didn't come. Then she asked to finish me off by hand and so I lay down again, all the time looking in my eyes and saying 'spunk for me.' She is such a turn on and so beautiful. If I never fuck another girl, never kiss another girl I'd die happy, she was so fucking good.

Wolf.
