The Premises:

Functional working flat near the Basford area of Nottingham. Parking was ok.

The Lady:

Candy is very tall, especially in her platform heels. Great legs and enhanced big boobs. Long dark hair and plenty of make-up, looks slightly older than her given age of 27, but I don't go for one's that look too young anyway. Tattooed and fully shaven downstairs. She was wearing some nice raunchy underwear which I really appreciated, and has a very dirty full-on persona. No hold barred so to speak.

The Story:

Even though she is on AW, she is a fully verified member, her pics show her real face and she has previous reviews on this site, so there were no nasty surprises and no false promises. Her charges are pretty reasonable considering she does everything including A levels if you want. I just went for a straight suck and fuck, both covered. Enjoyed the bj whilst feeling her enormous breasts. Went for mish, then finished with doggy while holding her swinging tits. Nice tight pussy. Decent straightforward shag. She does a 2 girl with another escort for not much more so I might go back for that. I was friendly with her which she seemed to appreciate as I always try and get the best from WG's. Only niggle is that she has numerous phone numbers so getting hold of her required a bit of patience.
