The Premises:

Very tidy and safe flats on a smart street in Kensington. Buzz to be let in, private lobby, no reception desk. Nice flat, clean bathroom and a cosy, clean and comfortable bedroom.

The Lady:

A killer body, long legs, tiny waist, great boobs. Taller than I expected, which was a bonus. Great smile, wicked blue eyes, long dark hair and a very courrupting - and corruptable - bed side manner!

The Story:

I was greeted at the door by Scarlet in a black figure hugging top, skirt and high heels. After a welcoming kiss, I handed over the customary champagne and was offered a shower, which I took. I came out wrapped in a towel and Scarlet let me upstairs to the bedroom. What a view of her gorgeous arse squeezed into her skirt wiggling up the stairs in front of me. Glasses charged, she invited me to lay on the bed. There was some pleasant conversation and humorous banter to relax the mood, helped by Scarlet stroking my cock through the towel. She offered to strip. Offer taken. Wow! Scarlet has a fantastic body, lovely and slim waist, nice curves and great enhanced boobs, just the right size. To say she is built for sex is an understatement. I could not wait. Off slid the towel and on slid Scarlet's lips. Slowly at first, upping the pace gradually with a bit of pornstar spitting to lube things up. She used her hands very well, stroking my balls too with lots of eye contact. She was very complimentary about my cock and enjoyed going down on it. I did too, funnily enough. after making my head swell(!), I said she could take a photo of it if she wanted. Aren't iPhone's handy? Scarlet did better than that and what followed was a series of impromptu video clips recorded of her sucking my cock, her masturbating whilst watching me stroke my cock, deep throating me, then watching them back whilst she stroked her pussy/my cock. Pretty awesome. Things were heating up and getting my cock inside this woman seemed the obvious step. On with the rubber and Scarlet on her back. Now I love missionary, especially with a gorgeous girl like Scarlet underneath me, eyes closed and mouth open, groaning as I pounded into her and watch her tits shake with each thrust. However it was early days and I suggested she keep me on the edge for a little while yet, which she liked the sound of. With my cock back in her mouth, I worked on her pussy, first with my hands then my tongue, which had Scarlet quivering beneath me. It was getting near that time and I casually enquired where I should come. Pretty much anywhere I wanted

seemed to sum it up and I had to fuck this girl again. She bent over the bed for some hard doggy style, with me squeezing her firm arse. Reaching down to hold her neck brought gasps of pleasure. I grabbed her arms and pulled her back towards me off the bed, my cock still in her. Watching her head held back, tits stretching out whilst I thrust in and out of her behind did it for me. On command, she was on her knees, rubber off and taking my cock down her throat. What a rush as I unloaded into her mouth. Spent. We finished off the champagne and carried on our pleasant chat in the last few minutes left. I showered, got my kiss goodbye and walked down to Gloucester Road with a spring in my step and a huge fucking smile on my face.
