The Premises:

I'd not been here before so it was a typical MK park-and-walk about but I got there on time. The flat is in a block but once inside the layout and decorations are fine. Indeed, the room though smallish had all that was needed and had been tastefully attended to. The "maid" was very helpful and looked after me during my five minute wait. All the maids from this "empire" are first class and should be congratulated. Thanks.

The Lady:

Tall with shoes on and shorter without. Perfect in either case. A fabulously slim and physically beautiful lady with a great personality and near-perfect english. (Plus 4 other languages, I later discovered!!) A very fine and receptive body and a perfect lady to explore and caress. Her photos are accurate and as they (the pictures) were the very things that attracted me to Gemma I was pleased to see her in the flesh.

The Story:

Just fab! I needed a GFE on Friday and Gemma delivered everything and more. She arrived wearing black underwear and soon removed her bra to reveal a fantastic and beautifully formed chest which I had trouble keeping away from for the whole 45 minutes. You will be pleased to learn I did manage and spent a good deal of time exploring the rest of her delicious body. All advertised services are on offer and after about 40 minutes I came with Gemma sitting on top, a perfect conclusion to a great afternoon in MK. (Off to the Apple Store for me with a spring in my step.) I can't recommend Gemma enough. She is an intelligent, kind and sexy lady with a super body and an accommodating demeanour. She most certainly accommodated me and what's more she did it with grace, charm, enthusiasm and humour. I'll be back for a longer session as, with all great companions, time shoots by when you are having fun.
PS She arrived with glasses which is a great turn-on for me. Perhaps I'll ask for a uniform next time!
