The Story:

I went for the house special with assisted shower. This was not the first time I'd visited Debbies, but I'd not met Mercedes before. Although it was a Friday, Mercedes was full of energy and gave no sign of end-of-the-week tiredness. The assisted shower worked a treat. There was a lot of DFK. It's really like a girlfriend experience, which is how I like it best. Then Mercedes went down on me. Very nice. There was time for covered sex in doggie, before she finished me off with oral. I live not very far away, so will go back for more soon.
