#### The Premises:

Cleopatra's is on Norwich road on a busy main road. Access is on the side but it took forever for them to let me in.

### The Lady:

She is described as a "Polish Lady in her mid-20s". She is actually probably mid to late 30s. She is big but not fat, more in a big-boned and fleshy kind of way

#### The Story:

On the site, it said £20 to get in and £20 for a massage (presumed hand relief). Anyway, it is not. I ended up paying £20 to get in and £100 for the pleasure of full sex and oral with condom (£120 for OWO). Luckily I had the money on me. The service was reasonable, apart from her talking too much.

#### But the point is

- 1) I was expecting to pay £40
- 2) I go to these places to have women I cant have in day to day live. Sorry, but Goldie is not out of my league hence it wasnt a good punt and I felt robbed and ripped off.

I wont be going back.
