### The Premises:

Easy to find with sat nav, I called her when I got there and she talked me in from there. It was what I would describe as a nice suburban neighbourhood, I felt perfectly safe leaving my car and going into her flat which was nice modern and clean, all I could want

### The Lady:

Tall leggy and natural curvy blonde, (by curvy I don't mean fat, just someone you want to touch). The only thing I found incorrect on her profile was her height, she's actually 5'11" plus heels!

### The Story:

She greeted me dressed as requested in bra , knickers, stockings and heels. As soon as I walked in through the door we said hello and then she greeted me with a kiss which turned into a deep, long and enjoyable one while I stroked and held her lovely body against mine. We then went through to lounge for a chat to get to know each other, after some minutes in her company I was feeling horny so after we'd got the business side out of the way went for a shower. When I came back into the lounge she was just standing there awaiting me with a smile on her face. I couldn't resist it, I just had to drop to my knees and start licking and kissing her from her lovely heeled feet and up those legs that lead to heaven. At the top I peeled back the knickers to find that lovely and already moist heaven, it was wonderful to encounter.

Shortly after we made our way through to the bedroom, there things built up through mutual touching and caressing until she used her amazing oral skills on me. Afterwards we chatted for a while until the closeness took over and we ended with (I hope) some mutually hard fucking. What a great time, I had, it was a great buzz when afterwards she told me that she'd been nervous about our meeting as I was her first client. Heidi I'm sure I wont be your last, this girl is a natural, so genuine.
