The Lady:

Gigi looks around 22, and say certainly no older than 25. Personally, I find her more attractive, just more natural-looking, in the flesh, than the website photos. Saying that, the website pics definitely give an accurate portrayal of her fantastic body. That superb little arse of hers and cracking enhanced, yet supple, boobs are a sight I'll not be forgetting any time soon.

The Story:

This was my second visit to Gigi, but my first time visiting her on her own (the previous encounter was a duo with Patsy of the same agency); I was intrigued to see how well she performs alone, and I can safely say she passed with flying colours. Plenty of hands-on attention, and french kissing from the get-go, leading to some very DFK as things progressed, then onto some great OWO which then led us onto the bed for some 69. Before long I was requesting a condom, and Gigi straight on top of me in reverse cowgirl, then standard cowgirl, mis, spooning, and doggy; all the time Gigi, at least appearing to be, thoroughly enjoying herself (as was I, no doubt). What I must add, though, whilst this lovely lady is certainly capable of delivering a fairly raunchy PSE, her personality is overwhelming cute, and thus one ends up with a very sexy, yet affectionate balance of filthy lust and GFE; Gigi does both extremely well.

No anal for me at this visit, as I didn't request it, but I can confirm to have sampled A-levels with Gigi during my previous encounter with her and Patsy.

I shall definitely be returning for another visit soon. This one really is an absolute cutie pie; please treat her nicely, fellas.
