### The Premises:

Located behind Staples. The room was small and very stuffy even before the action started.

### The Lady:

Absolutely gorgeous, as the cliché goes; much better than the photos suggest.

### The Story:

I'm very selective when it comes to choosing a lady and Rachel is very sexy and ticked all the right boxes for me. Everything was on offer as listed with the exception of OWO which was due to her having dental work recently 'sad face'.

Recommended GFE who brings with her a box of tricks, one of which seems she seems to be very fond of, all added to the enjoyment of the session.

Rachel is easy to speak to and relax with.
