The Story:

I attended my first party in Manchester at Strawberry and Cream over 10 years ago followed by a couple at Arabesque and finally I went to many parties at the late lamented Wonder Lounge. So when I heard that Lady Marmalade were holding one in Manchester I had to go and I'm glad I did as it was probably the best one I've ever been to.

There were two parties today between 12-2pm and 3-5pm and, as I was travelling from Glasgow and the previous parties I had attended were 4-5 hours long, I thought I would go to both as the fee was only £250 against £140 for one but this was a big mistake. I only lasted about 40 minutes of the second party and had to leave as I was worried a certain part of my anatomy would fall off or I would have a heart attack.

There were 5 ladies at the parties, Amanda, Emily, Izabella, Vera and Tara and all of them were lovely and eager to please. The first party was attended by 10 "gents", which did cause a bit of a problem as the apartment only had one tiny shower room, which seemed a fine number as I don't think anyone lacked attention and I definitely got my fare share from the ladies.

However, the second party was only attended by 5 guys, 3 of us having been to the previous one, which caused the problem as the ladies were insatiable. It started off by Izabella and Emily leading me off to the bedroom, one sitting on my face while the other performed oral on me. Then after a short rest I looked into one of the rooms where two of the ladies were giving one of the newcomers a blow job while Vera pleased them. Unfortunately she saw me standing in the doorway and ordered me to do a Thomas the Train? on her, so how could I refuse her and obligingly went down on her. After another rest Vera and Tara took me through and Tara sat on my face while Vera

sucked on me until I came in her mouth and at that point I thought I better get out of there. I think one of the newcomers was leaving just after me, so I pity the 3 poor sods who were left with these nymphos.

I hope that Lady Marmalade will start having parties up in Glasgow as I think I'm getting too old for the 10 hour roundtrip drive to Manchester.
