The Premises:

She lives in a large basement flat of a block of houses very close to the station. She has a big master bedroom with a bathroom right next to it. The flat was clean and welcoming.

The Lady:

Stacy matches her photos on the whole but her body looks even better in the flesh. She is Thai, I'd guess mid to late 20's but its hard to tell with Asian women.

Around 5'2 with big enhanced tits, very soft to the touch.

The Story:

She welcomed me at the door with a big smile wearing the blue school girl outfit from her photos. she showed me to her room and we got the paper work out of the way.

She got me a drink and helped me undress, we had a sheared shower getting nice and soapy rubbing each other body to body.

Then it was back to the bedroom where the real fun started. We started DFK while she was was rubbing my cock. Then I stared kissing her body working my way down and started DATY and she came very hard. After expressing her thanks she got a condom and we started to fuck mishionary while DFK. Then it was off with the condom for some prolonged OWO after I CIM. She went to the bathroom to freshen up.

She came back and started round 2 starting with more OWO then she got a condom and started riding me cowgirl, then we fucked with one of her legs over my sholder then she took off the condom and we started to 69 and i CIM a second time. After fleshening up again she gave me a nice massage and helped me back on with my clothes. Stacy provided a great GFE. I can't wait to see her again.
