The Premises:

I had spent my morning washing, cooking and cleaning and need to indulge myself. I have not used Maxes recently and after my last experience I was a little reluctant. However, I saw a lovely young lady on the website and was intrigued before I knew her famous sister. Her place was nice spacious and clean, fit for the purpose

The Lady:

Physically, Darcy is my type of lady, despite her revealing she is a natural blond. However I do prefer as she is. Darcy is shapely and curves and angles you may find hard to forget. Lovely legs and a nice bum to boot.

The Story:

My experience was more GFE but one of the best I have experienced in a very long time and I have been doing this for more than 10 years. Darcy is definitely the reason I have the hobby I do. We started off very slowly with chat and a drink before moving to kissing and oral and she is very good. I had to change positions to stop the inevitable. What followed was just amazing and has given me a reason to visit Darcy almost everyday. Thank you Darcy for restoring my faith!
