The Premises:

Very clean flat, shower facilities were good got offered a drink when enter the flat.

The Lady:

Blond, busty and very cute. Photos don't do her justice.

The Story:

When she enter the room she made me feel very welcome, she asked what I wanted, asked for her to wear a nurses uniform which she happily agreed to. She came back in a few minutes later in a very revealing nurses uniform and gave me a medical with a twist. Helen has a good judgement of what pain I could take. It was the best experience I have had at London retreat, if you get the chance to see Helen take it you wont regret it.
