The Lady:

Very fit body but face but the internet photos make her look friendly whereas in real life she has a rather worn out not interested look.

The Story:

This is the first review I've done and I decided I had to let people know about this girl with a terrible attitude.

Firstly - as you will see - the profile on Mermaid website says "Highly recommended" and it states she does OWO, DFK andy GFE. In reality. When I arrived I stated I wanted 1/2 hour and that if it was good I would book an hour another time. She took the money and then apart from letting mw touch her breasts she wasn't interested. She told me not to touch her, she wouldn't kiss AT ALL! She wouldn't do OWO. She said that for 1/2 hour she would only do oral with and sex. I said I wasn't happy with that and I would leave and get a refund which she refused. I therefore went through the motions and left after 20 mins. This is the first time I tried this agency. I usually go to Asian girls and they are mostly friendly and have a good attitude. But I saw a good review of Agnes from this agency so thought I'd try it. Don't bother. After the event I called the agency and complained and said I wanted to have a refund or a free punt on another date but was refused.

So my advice is. Avoid the agency and definitely avoid Annabelle. She is just in it for the money and her attitude and service is terrible.
