The Lady:

Jennifer is slim, athletic, gorgeous long brown hair, takes care of her taut body and has a very long pair of legs that wrap themselves around you so you can't escape. And you won't want to. She is always clean, classy, well and sexily dressed. It is evident she makes a real effort.

For this visit she work a really sexy dress and even sexier underwear, all quality and clearly having been given some thought. Her effort in terms of creating the right environment and dressing appropriately for you is above and beyond.

The Story:

I have previously seen Jennifer as both an in call and outcall. This time it was in a hotel room of her choice. She had gone to the special effort of setting out beautiful candles, nice sheets, a selection of drinks and everything to provide a romantic and sensual atmosphere. She is so easy to get on with, and her cheeky sense of humour sparks the conversation if you are prepared to take her on! This girl is special and should be treated accordingly.

She gives the best and seriously deepest throat I have ever experienced and gets a real thrill from it. She throws herself into her work and will do her utmost to satisfy what you need and want, if you take the time to tell her, so make sure you do! When it comes to the rest well she is lively, exciting and enjoys her work.

I highly recommend her. Show her the respect she deserves and she will show you what great sex is. This beautiful girl sets the bar for all those wannabe's out there. Don't negotiate, she is worth every penny and great value. You will not regret it.

Enjoy and give her a review, she deserves it!
