The Story:

I wanted to see Scarlet for a long time, but never really had the chance. So i thought today was my lucky day. But after seeing Scarlet today i was left extremely disappointed. This has got to be the worst punt ever.

From the beginning i was greeted at the door with a nice kiss. But as soon as i handed over the paperwork and had a shower, Scarlet had a completely negative attitude. She was completely rude and sarcastic. Her whole attitude was a complete turn off. Throughout the visit she was constantly rushing me to CUM and after 30 mins she told me my time was up. I could not be bothered to argue with her and just left.

Please all think twice before you use Scarlet
