**Website:** <http://curiouslands.co.uk>

### The Premises:

A nice clean cosy modern flat in a pleasant area of Central London. Rosalie's place is about a 10 minute walk from the nearest tube station, and her directions over the phone were well articulated (however my ability to locate street signs needs some refining apparently, so I was unfortunately a few minutes late).

Rosie has a surprisingly large bathroom, the shower has great pressure, and a clean towel and mouthwash were provided. The bedroom is small, but by no means cramped, and was perfectly adequate for our needs.

### The Lady:

The photos on Rosalie's website are very much a true depiction of her attractiveness and physique. She has cute girl-next-door looks (which meant that I didn't feel at all intimidated upon meeting her), and is slim with subtle and rather delectable curves. Rosie is about 5 1/2 feet tall and I would say in her early to mid twenties, with lovely soft breasts. Also, if you find the Irish accent as sexy as I do, then you're in for a treat.

### The Story:

The first thing you should know is that my time with Rosie was my first time being fully physically intimate with a woman. I spent a fair amount of time trying to find the right lady for me, and finally decided to see Rosalie based on her stated experience with handling those in my situation, as well as feedback from those like me that she has seen in the past. It is safe to say that I don't regret my eventual choice at all.

I was a complete bag of nerves to begin with, but Rosie expertly managed to make me feel at ease. She started with a shoulder massage in order to relax me, and we then proceeded to start kissing. I personally prefer a soft and sensual approach when it comes this, and Rosie didn't disappoint in this regard. I'd opted for 2 hours on this visit, and I'm so glad I did. This meant we were able to take things relatively slowly, and were able to progress gradually; starting with a lot of touching and caressing. I took great pleasure in sensually exploring Rosie's exquisite body (particularly her lovely aforementioned breasts), with some instruction from Rosie on what she liked. We then moved onto covered oral and sex in a couple of positions (tried for a third, but I think I underestimated how

much of a workout this sex business can be).

In order to let me recompose myself before the finale, we lay chatting for a bit. Rosie is an excellent conversationalist. No awkward silences, just the occasional natural quiet moment, which allowed me to soak up the sensual atmosphere.

All in all a delightful sensual afternoon spent with a beautiful, intelligent and charismatic woman. What more could you want?
