The Lady:

Haifa is a voluptuous 25 year old beauty from Lebanon with silky porcelain skin and beautifully shaped natural G cup breasts. Her photos are extremely recent and closely match her current look. Her best feature, in my view, are her alluring grey eyes.

The Story:

She greeted me at the door in her silky nightgown, which revealed her shapely legs. Once inside we chatted for a bit - she has a great sense of humour. Then she leaned across and gave a long passionate kiss. I was quite knackered from the night before having been up working on a deadline that I finished that afternoon and I did not expect to last very long. She led me to bed and began kissing me slowly and sensuously, which really got me going. I lay her on her back and kissed her natural soft breasts, while stroking and moistening her clitoris. I was extremely ready now. She gave me covered BJ before I finished fulfilled in the missionary position. She did not rush off or role me over but lay in my arms. All in all I had a grand time. This is top class GFE and Haifa put her heart in it. Definitely worth a visit.
