The Lady:

Perfection, pure and simple. A dream body, breathtaking beauty, the most amazing smile ever. I don't think Jennifer believes me when I tell her but she really is the most beautiful girl I have ever set eyes on. I fancy her so much its unreal. To top it all off she is such a nice, well mannered, wise girl.

The Story:

Was the first time in six months that I had seen Jennifer but the 17th time overall. I remember each visit as clearly as one and other and will never forget the moment I very first saw her in August 2011. She is the best. We chatted at first and then Jennifer gave me a little massage. She then undressed and I got to see her simply heavenly body again, it really is to die for. She laughs when I tell her but she really does get more and more beautiful every time I see her. Awesome oral with, followed by me getting to enjoy Jennifer's wonderfully tight and tasty pussy ensued and then we had sex. It was as each of the previous 16 visits to see her have been for me an absolute dream. Just to be in her company for a second would be incredible such is her aura of beauty and the level of my pure lust for her. She is way, way, way out of my league. She is the best there is by far. If you are lucky enough to spend time in her company, treat her right as she deserves nothing less. I just wish I could have her all to myself! Thank you Jennifer!
