The Story:

When I visited Adele she welcomed me with a kiss and made me at ease very quickly. She did everything I asked except anal (because of my stupid mistake of not reading her profile properly and not asking for it when I booked). I wish I had. She didn't clock watch and when we finished we chatted for a while. It is nice to be able to speak to somebody who is friendly and whitty.

I left with a big smile on my face and would highly recommend seeing her to anybody.
Thanks Adele
