The Premises:

House of Divine 1 - easy walk from the tube station. On a fairly busy road but lots of residential houses so no one bats an eyelid when you walk up to the door. Very welcoming maid offered me a drink and showed me to the room and shower.

The Lady:

The good thing about Tina is she posts her own pictures on her twitter so you know they've not been airbrushed etc and she certainly does not disappoint in real life.

The Story:

Started with some kissing which moved onto DFK. Tina knows how to work her tongue! We then proceeded onto the bed where Tina slipped off what little she was wearing. Some more DFK and a cheeky "what is this" from Tina as she felt me getting hard from under my towel. She then moved down my body, kissing my chest and moving lower for some amazing OWO. She knows how to work her tongue down there too! I told her I wanted to taste her so we moved on to some RO. She tastes amazing and she has such a perfect ass you can't help giving it a squeeze.

From RO Tina lay on her back and I got to suck on those gorgeous breasts and then went down on her again. Tina seemed to enjoy it and made all the right noises as she was playing with herself at the same time and it was definately getting wet down there.

After that it was on with the condom and some reverse cowgirl. The sight of that gorgeous ass bouncing up and down will make you finish in no time so to prolong the experience she turned and faced me and continued to ride me. That was it for me and it was time to whip the condom off and finish with some nice OWO and CIM.

Seriously check this girl out. You will not be disappointed. There is no doubt in my mind, I will be back!
