The Premises:

Very smart flat at the back of Paddington Station. Much better than most. Secure, and high quality

The Lady:

Blonde, very buxom, tall, EE lady. Late 20s/early 30s. Pretty close to photos although she does look not as slim as the photo-shopped version. But if you want a stick insect then go elsewhere. If you like them cuddly, vivacious and chatty, then look no further.

The Story:

Wow and wow. Full on DFK 2 feet inside the door. I loved it. Offered a quick shower and she watched me making comments all the while. I asked for DFK, DATY, tit sucking and mish to end with coming all over those magnificent breasts. And was at no point disappointed. It was all on offer with a smile, a laugh and full on. She has huge tits, lovely jubbies. She liked it fierce and wanted a little pain, nipple squeezing and biting, pussy sucking and chewing and I was afraid half the time I'd draw blood but was encouraged to shove it in harder, twist it more and urged on to a point of exhaustion. She is wonderful. My thumb up her arse while I was licking her shaven haven, she bucked and thrust wildly. Not for the faint hearted who want a quiet bonk. Finally came between her tits shooting all over her mouth and chin. Ecstasy! Afterwards a cuddle and a calm down. She thought I didn't fancy her on arrival but that was not the case. I do enjoy all sorts and also like the slim asian physique but on this occasion she was what the doctor ordered!. Yes I will return to this one. thoroughly recommended.
