The Premises:

Well known address behind Paddington Station, secure and safe, clean and good quality flat.

The Lady:

Tall, small boobs (B at best) light pink nipples, shaven and she has a very sensitive and (very) protuberant clitoris and upper labia which I loved. Good English and chatty.

The Story:

Good punt. Lots of DFK, gentle, she loved having her clit sucked and kissed. She didn't come but says she doesn't often, although she was pushing onto my tongue. Offered a quick shower, onto the bed, DFK, breast kissing, down to DATY, and finally she rode me to completion. Very enjoyable and recommended. Good English too.
