The Premises:

A well known basement apartment that I have visited many times near Paddington. She has taken over Macy's room as she has gone back to Thailand. good sized rooms. safe and secure.

The Lady:

Slim very pretty lady with interesting tattoos on her back and arm. Wonderful, she is not shaven!! I am so fed up of shaven havens and it is great to see a nice well groomed bush.

The Story:

Offered a shower on entry, she has her own shower en suite which saves having to wander about in the altogether and meeting another horny hairy arsed bloke in the hallway!

After the shower we got down to it quickly, onto the bed, snogging DFK and kissing her breasts and on down to her neat little pussy. She was quite sensitive and came twice very quickly. Then on to mish. I wanted some A but at my age wasn't too hard so it failed. But switched easily to vaginal penetration, in mish then doggy, finally out and having her manually bring me off on her chest and chin.

Very nice girl, typical Asian punt, but willing to DFK as well.

Massage to finish. went home drained.

Recommended without doubt.
