The Premises:

A private house located near New Cross rail station on the way to Lewisham. It was very clean inside, but a bit dilapidated.

The Lady:

A petite Romanian girl with a nice trim figure and B cup breasts.

The Story:

After a 2 month break I needed another punt. This punt started unusually; I entered the room and the girl who let me in brought 2 other girls into the room. I picked Tiffany because she had a nice, tight figure. I handed over the money, but the other 2 girls seemed reluctant to leave. I'm not sure I could handle 3 at once!

The session started with uncovered oral and it certainly woke me up. On went the condom and we had sex in the doggy position. It felt really great and I was in total control. I opted for a slow hand job finish and slow was the operative word. It was a lovely release and I felt so relaxed on my way home.
