The Premises:

Basement flat, be careful to go down the right set of stairs. Fit for purpose I think is shared with another girl.

The Lady:

Wow, wow wow. The most slim and toned girl ive ever seen let alone had the pleasure of touching. Amazing arse and such a gorgeous sweet face. You really can not tell who stunning she is in the pictures. She wasn't my first choice from the pics but so glad I was recommended her now.

The Story:

Gave a call late night but my first two choices were not going to be free for some time so asked who they would recommend in the area. Was told Olivia and so pleased I was.

A quick shower and into the room, kneeling on the bed kissing and slowly but surely the clothes fell off. She the laid me down and proceeded to keep me on the edge with a deep, wet OWO which lasted for ages. An amazing technique I also didn't want anything else.

On to every position you can think of and ended up on top looking down at her cute face with her legs wrapped high around me pulling me deeper.

Can not wait to see her again.
