The Lady:

Mid 30's about 5ft tall and probably size 12-14. Light brown hair in a bob and very pretty. Not got pictures on Adultwork but was definitely not disappointed.

The Story:

Turned up dressed in a black dress that showed off her curves fantastically (got hard well before we got to the bedroom). Underneath the dress was a sexy basque with stockings which got me even harder (as if that was possible). Started with some kissing and cuddling before onto the main attraction. She only offers oral sex but hell is she good at it. Got it nice and deep in her mouth and had me spunking in no time. And she was more than happy to swallow the lot. Left me feeling exhausted and very happy.
