### The Premises:

Easy to find and discreet location, parking was pretty easy with free visitors spaces, a bit of a winner for Manchester! The flat itself was very neat and clean, I felt quite happy visiting her there.

### The Lady:

What it says on the tin, size 10 figure and the most fantastic GG boobs. Evidently they are enhanced but they felt (and looked) totally natural to me, bury your head in them and kiss the nipples, tell me the difference?

### The Story:

Louise greeted me with a warm friendly kiss, she was dressed as requested in underwear that hinted rather than showed sexual possibilities, plus amazing black boots, again as requested. After the booking I mentioned I would be doing a PN review, she asked that I was not to specific as she doesn't like to feel pressured into replicating someone else's experience, preferring to 'play it by ear.'

All I can say is that everything I desired and that was listed on her profile happened, no 'extras' and no reluctance! She has the most fantastic oral skills, a natural warm GFE experience and such a fantastic loveable body, gorgeous features and wonderful personality. One thing I hope she doesn't mind me mentioning, the feel of those amazing lithe legs wrapped around mine wearing the boots, ecstasy!!!
