The Premises:

Smart basement flat shared with a couple of other girls. En-suite shower too small to share. Nice double bed with a mirror next to it. Always a bonus to add to the fun.

The Lady:

I asked for the natural look. Dressing up and too much make-up aren't my thing and I think she looked far better than the pictures for it. She sports lovely breasts and is unshaven down below which makes a change.

The Story:

It's been a while since my last punt so I thought I'd try someone new and fresh to the scene. Yumi fits that bill. Shown in asked if I wanted a shower which I took. She gave me a towel and left me at it. Once cleaned I joined her on the bed. Some nice owo and then I went down on her which she enjoyed by repeats of "oh my god" that one phrase demonstrates that her knowledge of English is above normal. Well in my mind it does. The usual response I get is groans and too much use of honey. Yumi kissed with tongues but took a little while to warm up. Maybe a little shy to begin with but towards the end she warmed up enough for me to get excited by a return trip later this week. We didn't progress beyond some prolonged oral. This was due to my a bit of my tiredness and also the fact that I was having a great time with what was going on. I finished on her belly and great breasts. Not my usual thing but I couldn't resist. Then time was up and off I went, smiling, drained, and happy. I wasn't rushed out the door. For me a great punt. More was on offer but I was satisfied. I definitely found a great looking girl who I shall be more visits to.
