### The Premises:

Nice flat in Kensington. Bar nearby to calm the nerves with a quick drink.

### The Lady:

I'd seen Abigail on a dissesdmt agency site but never managed to book her before she moved on. So took my chance when she showed up at maxes. She's short, toned and very pretty. Reminded me of the hot girls I used to want to pull at Uni but rarely did. Small, firm breasts and a fantastic toned body. Pictures on the website are accurate but she looks more natural in real life - a good thing.

### The Story:

Answered the door in a short dress and took me up to her apartment. Very smiley and flirty. Fixed me a drink and we sorted the paperwork.

Great chat and gentle kisses before I took a shower. Came back to find her lying on the bed in black lingerie.

Lots of deep kissing and a fantastic blowjob. When I was close to coming she gave me a cheeky look and said 'you know I'm going to swallow the lot'. She did too.

Relaxed conversation for a while then she started round two. More deep kisses and I went down on her before she asked me to bend her over and fuck her hard.

My best ever experience with an escort. It felt like we had met at a club and rushed back to hers.
