### The Premises:

### The Lady:

Tall. Beautiful. Fabulously curvy. Long blood hair and sparkling eyes. She reminds me of a 50s film star or a blond Christina Hendricks in terms of her style and figure.

### The Story:

It's been six years since I saw Jasmine. She was one of the first escorts I ever saw and I've thought about meeting her again a few times but was worried in case we didn't click in the same way or she wasn't how I remembered and it spoiled my fantastic memories of previous meetings.

What an idiot! Jasmine is certainly curvier than six years ago but she is stunning. The pictures and description on her website are accurate.

She looks incredible in her lingerie, and makes you feel incredible too. At the risk of cliché she is a true courtesan. A classy experience from first minute to last. I definitely won't be waiting six years to see her again.
