### The Premises:

One of the larger flats in a well known block at the North end of Sloane Avenue. Room for a table, chairs and a sofa with coffee table. Nicely decorated. Small bathroom with shower in bath, but basin was not working - it will be fixed.

### The Lady:

She is indeed 6'1", slim and very shapely. Photos are accurate. Deliciously soft lips which spread into a wide, very sexy, creamy smile. Breasts large, soft and I believe natural. Lovely rounded bum. Nice light all-over tan.  
A stunner.

### The Story:

I had asked her to wear a low cut LBD, high heels and nothing else. As I walked in this what I got and wanted - to go straight at eye-level into that magnificent cleavage!

A chat and a glass of some pink wine I had brought then off to the bathroom for a quick wash of the dangly bits. Then on to the action - a bit of a spank as punishment for lusting over her photos. She has a nice firm hand and gives plenty of fondling with the other; just how I like it. Then it was on to other services which were not too onerous as I am in my late sixties. All delivered with sensitivity and a light touch. Very good OWO. She kisses deeply with that soft mouth and tongue. All in all a very sensuous experience. I got the impression that there was suppressed laughter under the surface, with you but not at you.

A quick wash, a final chat, glass of wine and then I left; over time but no complaint from her.

Highly recommended if height does not put you off.
