The Premises:

Nice third floor (?) flat in pleasant older building around 100m from Holland Park station.

The Lady:

She's got one of the tiniest little bodies ever. It was a genuine joy to behold! A few years older than stated on the website and, as expected, not as glam as the photoshop website photos.

The Story:

Hmmm, what to say about Lilly?

She soon had me naked and a pleasing BB blow job left me with a satisfied glow. Oddly, based on past experience of Thais, she didn't offer a massage and we ended up laying together. On the plus side she demonstrated a high level of commitment to rubbing me hard again (although at my age that tends to require a short rest first), but without the deftness of touch that would, for me, have put her in the a Premier League. There was also a reluctance to kiss (which given that she's listed under the GFE section of the website was a bit disappointing) which isn't conducive to my performance or pleasure.

Overall a reasonable punt, with a pleasant girl with a remarkable body. Would I see her again? Probably not but then French kissing is important to me. But it would seem harsh to discourage others from trying her.
