The Premises:

A well known flat near Padding Station. It has a big room with big bed, sofa and chairs and lots of mirrors around the room. It is clean, tidy and well suited. There is a large clean bathroom too.

The Lady:

She's actually prettier than her pics, slim and quite petite. Nice longish legs and a cute ass. She is friendly and smiley, but her English is a little basic. But that did not get in the way of anything.

The Story:

Cindy is quite new and clearly keen to please and do well. She is not as forward as, say, Macy used to be, but she is willing and happy to do all services. I was pleasantly surprised by how pretty and sexy she was.

We started on the sofa and had a nice time as I stripped her clothes off and played with her body, she returned the favour and we moved on the bed for OWO and 69 which she did very well. She was very happy to let me control the tempo.

We moved on to A-levels which she warmed to very nicely and then had sex in many different positions, which she very clearly enjoyed. She did a little toy show and I asked her to change her shoes to a very sexy pair of red high heels. She obliged happily.

We finished with a nice long OWO and COF which she smiled greedily about!

Whilst she is not the finished article, she is keen and very cute. I will definitely see her again as I think she will just get even better and better!

A recommendation from the fabulous Maria, and a good one. Thanks!
