The Premises:

this is my second time to see adele,her flat is immaculate,bathroom shower is good,excellent choice of shower gel etc

in fact i can move in at short notice

safe and discreet

The Lady:

adele has a perfect body,her photos tend to make her look like a barbie doll slightly squashed up,in real life she is perfectly proportioned ,a nice size 8

she has a tight toned but curvy body,not a skeletal size 0 or even a size 6,worth mentioning is her toned stomach

facially adele has a rare mix of european and latin looks,stunning

The Story:

its hard to quantify the time i spent with adele because sometimes the experience is greater than the sum of the parts,firstly i was kissed dfk and offered a glass of wine.

adele then turned her phone off and started to bond with me,chatting caressing and having a general laugh,old fashioned flirting

this was not to be a wham bam thank you mam session

i have seen loads of girls who waste time doing this,however it was just the start of a wonderful sex/making love session

all of adeles stated services was on offer and taken

basically she is a great shag ,who wants you to crawl back into her flat as soon as you have left

if arnie met adele ,he wouldnt have said i will be back,he would have said ,i am not leaving

certainly not a clock watcher ,we overran by a distance

probably the best time in london for 130 at the moment,for the record this is my second visit and not my last
